Declaration

The breeder of the litter as above declares to have completed this form to his best knowledge and accepts that extraordinary differences of the litter between whelping and the time of marking or any time of later inspection can lead to cancelling of registration.

The earmarkings have been carried out correctly by a veterinary / CGRC steward.

The litter was inspected between the age of 8 and 10 weeks by a CGRC steward.

The breeder is a member of a national organisation attached to the CGRC.
